Dear Edmond,

It was good to talk with you as always, especially now that a decision has been reached as to the way forward; accordingly, congratulations again to you and Willy and the other Virgin team members who worked so hard on the project.

The management of Air Jamaica is very much looking forward to welcoming you to Jamaica next week to document the Agreement, including those matters set forth in Minister Davies' letter to Sir Richard dated April 17th. I trust we will be able to fast track this process in order that we can make the appropriate announcements to our respective customers and ensure that we accomplish an effective transition.

I look forward to hearing from you regarding your travel plans and those who will be accompanying you.

Sincerely,

Michael J. Conway

Mike -

Many thanks for your letter. We are very pleased to have the opportunity to deepen our cooperation with Air Jamaica.

I hope you received my message yesterday evening to say that Phil Squires (Manager Airline Alliances) and I would be pleased to come to Kingston early next week to tie up the details. Unfortunately, Willy has an unshakeable commitment on Tuesday and would not be able to travel until Wednesday.

Phil and I plan to travel on VS to MBJ and then connect across to KIN on JM (our staff travel will make contact with JM in London in the usual way to ask for tickets for this sector) so that we can be in Kingston before the early evening. We can then be available to you from Monday evening, should you wish.

We look forward to seeing you next week.

best wishes
Edmond
